Almost. The elastic part is slightly less heavy-duty, but it's perfectly good enough. The good bit is that they are otherwise almost indistinguishable from genuine - but nice and long. Very pleased.

  - British PT shirt
  - Very nice shirt. I've not seen this version in any source material but it looks appropriate for the period. Many reenactors have these so it is becoming a defacto standard for Living History events.

- **UK RAF Buttons**

  - I really do like it!
  - Among the many options on the internet, I chose this one. It IS slightly scratchy if you're not used to a coarse type of wool, which I am not. However, I wore it a few times, more and more, longer and longer, I really do like it!

They improved the dome, elastic and padding over the old run but the leather color/finish and snaps are a HUGE step BACKWARDS. The snaps they are using now are awful. I wish I could still get the old version.

Wool was a perfect match to the Tunic, excellent workmanship. Looks to complicated for me to sew on, I'm going to take it to a tailor, it looks like a great add on for the tunic.

- **Reviewer:** Vintage sportjacket
- **Comment:** Fits very well to size with the exception that the sleeves are very long - I imagine anyone would need to have the sleeves shortened by at least 1” - otherwise a nicely made and distinctive item, especially for the Vintage sportjacket.
