  - Good quality bedroll
  - This was requested as a Christmas present, easy to order and good delivery time - unfortunately living in the UK, delivery plus the Royal Mail charge almost doubled the cost.

  - Very pleased with this high quality bed roll. Very well built and should last a long while. Used it camping with a couple of wool blankets in the mountains of Colorado.

  - Always love all products offered by WPG. They have taken short cut with this sling. To be correct both ends need to be adjustable and previous editions offered were adjustable at both ends.

GREAT Product

I am astounded these are as inexpensive as they are! Well made and near light speed shipping! Would order another pair just to watch the tracking information.

The shipping box was smaller than the cap and caused deformation of product, so poor on that respect, but price
I love the quality of the Barracks Cover and the materials used. The downside was that the shipping box was smaller than the size of the cap, and that put a deformation bend in the leather brim of the cap.
